Email address: _____

Please answer the following questions honestly and to the best of your ability:

- 1 When did you join NYRCBA?
- 2 Name the breed(s) you raise, how many animals you have in each breed and why you raise these breed(s).
- 3 What kind of shelter do you provide your rabbits?
- 4 Describe in detail your cages as well as the number of cages you own.
- 5 What material is your cages made out of?
- 6 How do you manage the temperature and ventilation in your shelter?
- 7 What equipment do you use to feed and water your rabbits?
- 8 What kind of feed do you give your rabbits? Include the amount, why you feed this particular brand as well as any supplements you might add to their daily ration and why
- 9 Describe any other equipment used for the care of the animals in your project.
- 10 Describe how you determine how and when you breed your rabbits. How do you keep track of your breeding records?
- 11 Describe in detail how you care for a doe and litter. Also include when and how you wean the young.
- 12 How many litters did you have born last year?
- 13 How do you cull your rabbits? What do you do with your culls once they are chosen?
- 14 How do you determine whether you need to purchase a new rabbit to introduce into your program? How often have you done this in the past year?
- 15 In the time you have participated in the hobby, have you had any diseases that have affected your program? If so, how did you rectify the situation? Also, how would you try to prevent an outbreak of disease from occurring in your rabbitry?
- 16 In detail describe the types of records you keep on your project.
- 17 Has your rabbit project shown a profit or loss in the past year? If it has shown a loss how could you change your program to decrease your loss? If it has shown a profit, in your opinion what about your program has provided you with this profit?
