Dear Ms. Downing,

Thank you for your letter of September 8, 2007 regarding rabbits from U.S. shows (Canadian returning and new purchases).

As of April 01, 1995, all classes of rabbits of U.S. origin are to be presented to Canada Border Services Agency (CBSA), including exhibition rabbits. No health certification is required for Lagomorphs of U.S. origin, or for Canadian rabbits returning from an exhibition/show in the United States.

If you have further questions, please contact me.

Sincerely,

Susan Wray, D.V.M.
